Response to Restriction Requirement

In response to a restriction requirement set forth in an Office Action dated March 27, 2006, Applicants respectfully elect, with traverse, Group II, which is directed towards claims 1-24. Additionally, within these claims and pursuant to the Examiner's requirement, Applicants elect a species wherein the exact definition of each substituent on the base molecule (i.e., Formula I) is as follows: X is CH₂, R is cyano, R₁ is alkynyl, R₂ is hydrogen, and R₃ is heterocycle.

It is believed that the present application is in condition for allowance, which allowance is respectfully requested. Further, Applicants reserve the right to file divisional applications in the future in connection with the non-elected groups.

If any remaining issues exist or if there are any questions concerning the above, please contact the undersigned at the telephone number listed below.

Respectfully submitted,
Madar, et al.
